WEBSITE DESIGNS

Responsive, user-centered layouts that balance aesthetics and usability
– helping businesses establish a strong online presence.

The UrbanCraft website features a yellow header with navigation links. The main hero image shows two construction workers reviewing plans. A sidebar highlights 'Building Dreams, Brick by Brick' with icons for Professional, Quality Work, Versatility, Safety, and Customer Satisfaction. The 'Our Latest Projects' section displays images of completed buildings. A 'Ready to build your vision?' call-to-action with a 'GET A QUOTE' button is at the bottom.

This website design for 'MERRY HOMES' features a modern, clean layout. The top section displays a large image of a modern apartment building. Below it, a prominent 'MERRY HOMES' logo is followed by a tagline: 'Chart your family's future with the perfect home.' A 'Houses for Sale' section shows four properties with their names and prices: Property One (P 150,000.00), Property Two (P 250,000.00), Property Three (P 350,000.00), and Property Four (P 450,000.00). A 'Modern Properties' section follows, featuring six more property listings with images and details. The footer includes a 'Testimonials' section with a quote from a satisfied customer.

It includes a header with the company logo and navigation links, a main content area with property listings, and a footer with a testimonial. The mobile interface is designed to be intuitive and accessible on smaller screens.

This website for a financial advisor features a dark, professional theme. The top section has a 'CONTACT US!' form. Below it, a 'About Us' section highlights 'Trusted Financial Advisors for the Modern Filipino'. A 'Why Choose Us?' section lists benefits like 'Local Expertise, Personalized Solutions' and 'Certified Professionals'. A 'BLOG' section is also present. The footer includes a 'Testimonials' section with a quote from a satisfied customer.
